# Discussion Points

- ▶ What is FMCSA's COMPASS Program?
- ▶ The COMPASS Vision
- ▶ Expected Benefits for Industry
- ▶ FMCSA Portal Access for Companies
  - Overview of Functionality
  - Preview of the Portal
  - Detailed Functionality Review
  - Upcoming Release Schedule / Training
  - Portal Account Registration Phase-in
  - What to Expect Next

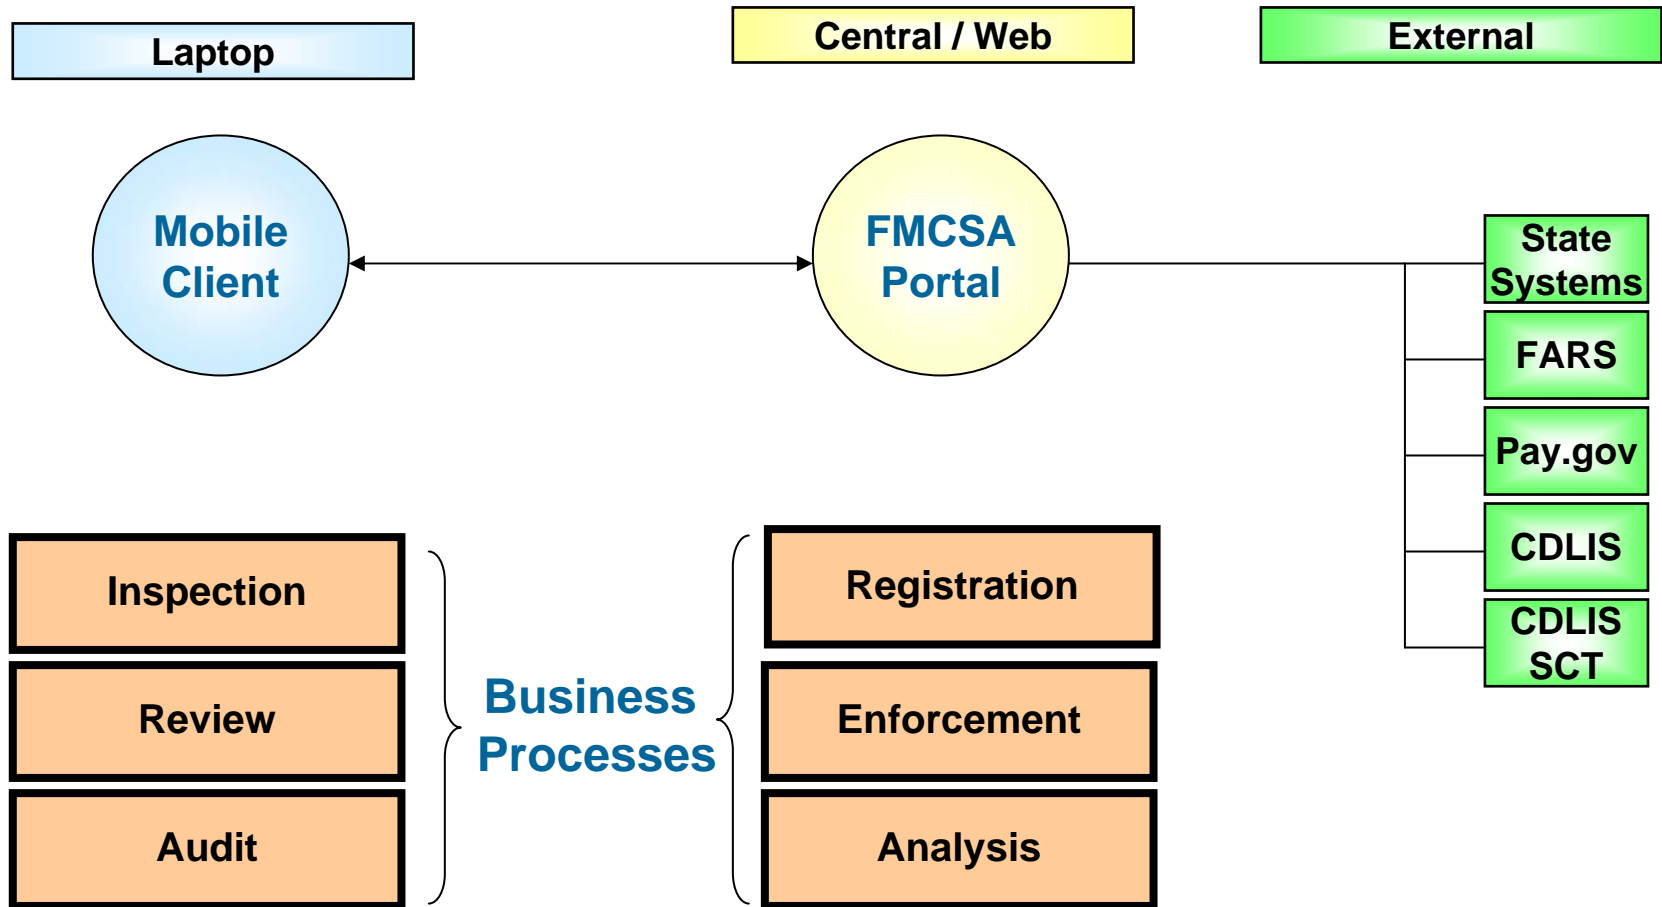

# What is FMCSA's COMPASS Program?

## The COMPASS program

- Is a multi-year, FMCSA-wide initiative
- Will leverage new technology to transform the way FMCSA does business by integrating the Agency's information technologies with its business processes and practices
- Will implement an information technology (IT) solution that improves the Agency's ability to save lives

# COMPASS Vision: Improved Information Access

## Expected Benefits for Industry

- ▶ **One location** to retrieve verifiable information that is protected from unauthorized access and alteration
- ▶ **Automated** alerts sent to the right person for action
- ▶ Increased **self-sufficiency** for users (e.g., online help and account management)
- ▶ **Enhanced access** to carrier safety and operational data through the FMCSA Portal for authorized users

# FMCSA Portal Access for Companies

# Portal Access Functionality/Benefits for Companies

- ▶ Authorized users have access to real-time company information including crashes, inspections, reviews, and cases closed with enforcement
  - Companies control who can/cannot access their information
  - Companies can now print or download Company Safety Profiles on an as-needed basis at no charge
  - Users have the ability to select User ID and Password
  - Automated password reset and account unlock
  - No paper forms or faxes
- ▶ Authorized users have access to DataQs through the Portal without additional login
  - All users who are currently registered users of DataQs will need to re-register for access to this system via the Portal
- ▶ Context-sensitive online help is available, including access to training materials, user survey, and user feedback tools

# Preview—Portal Access for Companies

- This screenshot shows the look-and-feel of the FMCSA Portal for companies

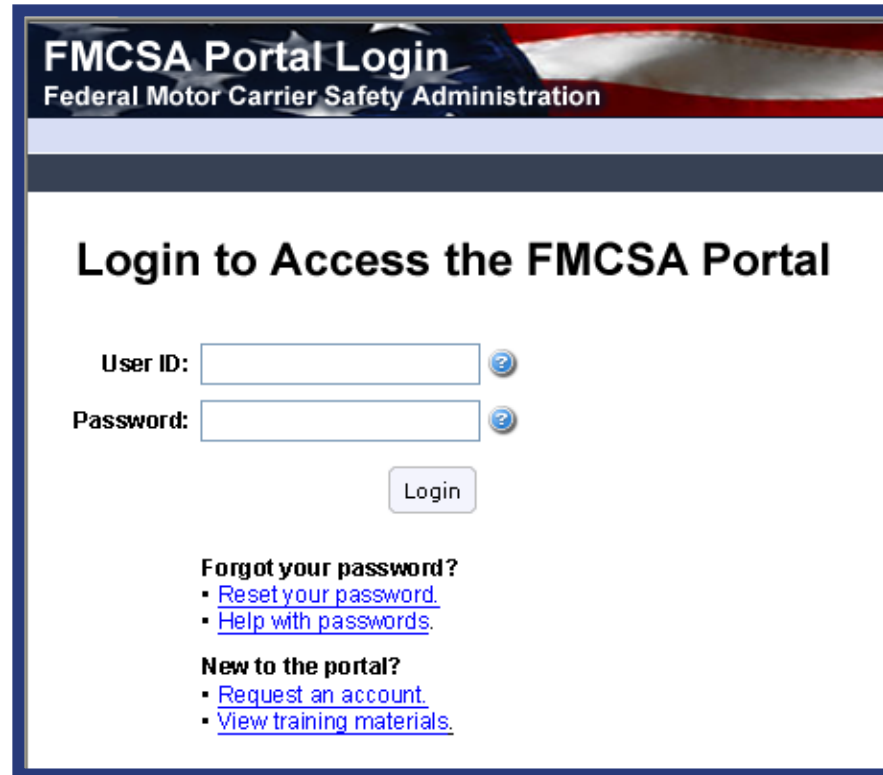

The screenshot displays the FMCSA Company Portal interface. At the top, the header includes the FMCSA logo, the text "Federal Motor Carrier Safety Administration", and the user's USDOT number "759470 - Steven Acme". A "Refresh" button is located next to the USDOT number. Below the header, a navigation bar contains links for "Home", "Company", "Accounts", "Reports", and "Help". The main content area is divided into several sections:

- My Alerts:** A red-bordered box containing two alerts. The first alert states: "A 90 Day Failure to Pay Fine Out of Service Order was issued on 01/20/2006". The second alert states: "Your Provisional Authority was revoked on 01/30/2006 for failure to show up for a Safety Audit".
- My Tasks:** A table listing tasks with columns for "Requestor" and "Date". The tasks are: Sue Tanges (07/23/2006), Bill Simmons (07/24/2006), Howard Gross (07/25/2006), Molly Holzschlag (07/23/2006), and Jeffery Zeldman (07/25/2006).
- My Correspondence:** A section with "From Date" (07/23/2006) and "To Date" (07/24/2006) fields, a "Search" button, and a table with columns for "Correspondence" and "Date Sent".
- Company Activity:** A section with a "Summary" tab and sub-tabs for "Crashes", "Inspections", "Reviews", and "Enforcement". It includes a "Last 24 hours" filter and a "Search" button. Below this is a table titled "Crashes posted to FMCSA" showing crash data for the last 24 hours.
- Company Info:** A section titled "USDOT Registration" with a link to "Update Company Information (MSC-150)". It includes tabs for "General", "Operations", "Equipment", "Driver", and "Officials". The "General" tab is active, displaying fields for "USDOT:", "Entity Type:", "Legal Name:", "DBA Name:", "Email:", "Business Address:", "Business Phone:", "Contact Cell Phone:", "Business Fax:", and "Mailing Address:". Below this is a list of links for "Cargo Tank Facility", "Hazardous Materials", "Operating Authority", "SafeStat Info", and "Inspection Selection System (ISS) Info".

# FMCSA Portal Login

- ▶ The FMCSA Portal Login page also provides access to:
  - Password Reset
  - Password Help (for forgotten passwords)
  - Portal Account Request Form
  - Online Portal training materials

The screenshot shows the FMCSA Portal Login page. At the top, there is a header with the text "FMCSA Portal Login" and "Federal Motor Carrier Safety Administration" below it. The main heading is "Login to Access the FMCSA Portal". Below this, there are two input fields: "User ID:" and "Password:". Each field has a small blue question mark icon to its right. Below the password field is a "Login" button. At the bottom, there are two sections: "Forgot your password?" with links for "Reset your password" and "Help with passwords", and "New to the portal?" with links for "Request an account" and "View training materials".

# Requesting an Account

- ▶ An FMCSA Company Official in possession of their USDOT Number PIN may request a Portal account as the authorizing official for their company's FMCSA data
  - Company Officials are responsible for approving or denying account request for access to the FMCSA data stored under their company's USDOT Number
- ▶ Any employee (or affiliate) of a company that is registered with the FMCSA may request a Portal account as a Company User
  - Company Users can request access to the FMCSA data stored under their company's USDOT Number(s)
- ▶ Users do not need to be actual employees of a company, but must be an individual that the company official will approve access rights for

# Company Home Page

- The Company home page provides access to detailed company information as recorded by the FMCSA
